Charles,

We have reviewed our records and believe the land you inquired about is held in trust for the benefit of the Salt River Pima Maricopa Indian Tribe (SRPMIC). SRPMIC acquired the land on July 3, 1990 from the State of AZ under the authority of Pub. Law 100-544, 102 Stat. 2724, Oct 28, 1988. I have attached copies of the acquisition patents from the State of Arizona and P. Law 100-544 for your reference.

Our federal title records need to be updated to reflect the acquisition of the land into trust status. We also intend to follow-up with Maricopa County to update the local records. (I attached a Maricopa County GIS parcel map with annotations I added to show the

APNs assigned to these two parcels.)

Thank-you for your inquiry. If you have any questions or concerns please let us know.

Mr. Webb,

I am attaching a landuse map for the Salt River Tribe. On the map there is a parcel circled identified as exchange preserve. Is this land in trust?

I appreciate your help with this.

Thanks,

Chuck
